There was no one present from the public, therefore; there was no communication.

FOREST CANTON HEIGHTS

MOWING CONTRACT

SF reported that since mowing contract is not a capital project, we are not required to vote upon, however; would want everyone's approval of. TT contacted everyone that had submitted a proposal and unfortunately did not receive much additional information. There were three who submitted their proposals in the correct format.

SF reported Coyle's Lawn and Landscaping was low bid at a cost of \$675.00 every two weeks. There were two lower costs, but they did not list maintenance of pond area as requested. Discussion was held that we will separate cleaning of pond drainage area from the regular mowing contract. Excel Lawn Service will be hired to clean drainage pond area at a annual cost of \$1,000.00
