E-Verify Compliance Requirement: Pursuant to I.C. 22-5-1.7, Contractor shall enroll in and verify the work eligibility status of all newly hired employees of Contractor through the E-Verify Program (Program).

Contractor is not required to verify the work eligibility status of all newly hired employees through the Program if the Program no longer exists. Also, pursuant to I.C. 22-5-1.7, Contractor must execute an **affidavit** affirming that the Contractor does not knowingly employ an unauthorized alien *and* shall be filed with the Perry County Auditor prior to the execution of contracted services. **A contract for services shall not be deemed fully executed until such affidavit is delivered to the Perry County Auditor.**

Contractor and its subcontractors shall not knowingly employ or contract with an unauthorized alien or retain an employee or contract with a person that contractor or its subcontractor subsequently learns is an unauthorized alien. If Contractor violates this provision Perry County shall require Contractor to remedy the violation not later than thirty (30) days after Perry County notifies Contractor. If

Contractor fails to remedy the violation within the thirty (30) day period, Perry County shall terminate the contract for breach of contract. If Perry County terminates the contract, Contractor shall be liable to Perry County for actual damages in addition to any other contractual remedies.
